

32nd ANNUAL CONFERENCE OF
INDIAN ACADEMY OF NEUROLOGY

Scientific Program

29th October - 02nd November 2025
Hotel Taj Ganges, Varanasi

Welcome To IANCON 2025 | KASHI

Dear Colleagues & friends,

We would like to reach you to extend a cordial invitation to attend the **32nd Annual Conference of the Indian Academy of Neurology**, which will be held in Kashi, Uttar Pradesh, under the aegis of Department of Neurology at Banaras Hindu University. With Kashi's spiritual & cultural grandeur serving as the backdrop, this conference is guaranteed to enlighten & enhance all of its guests.

We deeply committed to ensuring that this conference serves as a platform for advancing academic knowledge, fostering collaboration & nurturing excellence in the field of Neurology. Your participation & contribution are invaluable in achieving these objectives.

The scientific program will cover a wide range of topics, from clinical case studies to pioneering research. Esteemed experts & thought leaders will share their knowledge, offering valuable learning opportunities for all participants.

Kashi, popularly known as Varanasi, provides an exceptional chance to delve into its rich history, spirituality & cultural legacy outside of the conference. I urge you to make the most of your stay in this amazing city, from the revered Ganges River ghats to the incredible temples & vibrant markets.

Additionally, attending the conference will give you priceless chances to collaborate, network & advance your career. It's an opportunity to network with peers, share ideas & create enduring connections beyond boundaries.

At this significant event, let us unite in Kashi (Varanasi) to embrace the spirit of inquiry, discovery & friendship. In addition to improving the conference, your active participation will progress patient care & neurology.

Please visit our conference website for registration & other details, or contact our organizing team for help.

Explore a unique blend of professional camaraderie, cultural immersion & academic excellence with us in Varanasi.

Together, let's make the 32nd Indian Academy of Neurology Annual Conference a huge success!
